The programme allows students to engage with current issues and debates relevant to early years education, increasing understanding of policy development and developing leadership knowledge and skills to assess the quality of early years practice. Students gain understanding of general methodology and research methods, which enables them to conduct research in early years settings.

Degree summary

This programme provides the opportunity for students to access professional development that is informed by best practice in early years education. It will also prepare students for leadership roles and develop their understanding of general methodology and research methods.

- The Early Years Education staff team at UCL Institute of Education (IOE) have been at the forefront of international research for two decades including the renowned Effective Pre-School, Primary and Secondary Education (EPPSE) project.
- The research and teaching team specialise in early years leadership, pedagogy and curriculum and assessment.

This programme is delivered through face-to-face evening sessions. Assessment is through assignments and a dissertation.

Your career

Graduates of the Early Years Education MA are currently working as nursery teachers and managers, primary school teachers, advisers to local and national government and researchers on early childhood programmes.

Recent career destinations* include:

// Day Nursery Team Leader and Pre-School Teacher, Working Mums Daycare & Pre-School
// Pre-School Teacher / Owner, Kyalulu Preschool
// PhD Early Years Education, Institute of Education, University of London (IOE)
// Day School Teacher (Early Years), Girls’ Day School Trust (GDST) and studying MPhil/PhD Education, Institute of Education, University of London (IOE)

Employability

By taking this programme students develop an international, critical and deep understanding of early years leadership, curriculum, pedagogy and assessment.

* Careers data is taken from the 'Destinations of Leavers from Higher Education' survey undertaken by HESA looking at the destinations of UK and EU students in the 2013-2015 graduating cohorts six months after graduation.
Entry requirements

A minimum of a second-class Bachelor's degree from a UK university or an overseas qualification of an equivalent standard is required. Appropriate experience of working with young children is desirable.

English language proficiency level

If your education has not been conducted in the English language, you will be expected to demonstrate evidence of an adequate level of English proficiency.

The level of English language proficiency for this programme is: Good.

Information about the evidence required, acceptable qualifications and test providers is provided at: www.ucl.ac.uk/graduate/english-requirements

Your application

Students are advised to apply as early as possible due to competition for places. Those applying for scholarship funding (particularly overseas applicants) should take note of application deadlines.

When we assess your application we would like to learn:

1. why you want to study Early Years Education at graduate level
2. why you want to study Early Years Education at UCL
3. what particularly attracts you to the chosen programme
4. how your academic and professional background meets the demands of this challenging programme
5. where you would like to go professionally with your degree

Together with essential academic requirements, the personal statement is your opportunity to illustrate whether your reasons for applying to this programme match what the programme will deliver.

Application fee: There is an application processing fee for this programme of £75 for online applications and £100 for paper applications. More details about the application fee can be found at www.ucl.ac.uk/prospective-students/graduate/taught/application.
