PERIODONTOLOGY (DISTANCE LEARNING) MSc / 2019/20 ENTRY

www.ucl.ac.uk/graduate/
This programme will offer the busy General Dental Practitioner the opportunity to acquire intensive knowledge of the basic principles of periodontal and peri-implant diseases, the ability to assess the periodontal needs of a patient, the skills for the non-surgical therapy, the understanding of surgical management of advanced periodontal cases and the fundamentals of diagnosis and treatment planning in implant dentistry.

**Degree summary**

The programme offers you the ability to assess and manage the periodontal needs of a patient and to become competent in the presentation, diagnosis and management of all known diseases and disorders of the periodontium.

- This programme offers you the flexibility of a part-time blended learning educational route
- With a focus on research, postgraduate education and training, the Institute is uniquely placed to offer this new Master’s degree in Periodontology to dentists across the world.
- There are multiple exit points (Certificate/ Diploma) for qualifying students who are not able to complete the whole MSc qualification.

Teaching is delivered and assessed in a variety of ways including: lectures, seminars, problem based learning, on line tutorials and practical work, group discussion, case presentations, videos and discussion forums and workbased learning.

**Degree structure**

Mode: Part-time: 3 years
Location: London, Bloomsbury

The programme is designed with time at UCL EDI divided into blocks – 2 weeks in the first year, one week in the second and third years respectively.

Students undertake modules to the value of 180 credits. Students will undertake 3 compulsory modules in the first year totalling 60 credits, 4 compulsory modules in the second year totalling 60 credits and in the third year a compulsory dissertation of 60 credits.

Please note that the list of modules given here is indicative. This information is published a long time in advance of enrolment and module content and availability is subject to change.
